

Assurance bij duurzaamheidsinformatie

Het hoe en waarom

Hanneke Overbeek Goeseije
5 November 2019

Building a better
working world

Agenda

- 01 Het veranderende business landschap
- 02 Rapportage niet financiële informatie - betrokkenheid accountant
- 03 Niet financiële verslaggeving – de toekomst

Section
01

Het veranderende business landschap

We naderen onze grenzen

20ste century

21ste century

Product economy

Tangibles

Change in value chain :

Deregulation

Consumer pressure

Technological disruptive innovation

Increasing importance *intangibles* in company value

Resource scarcity

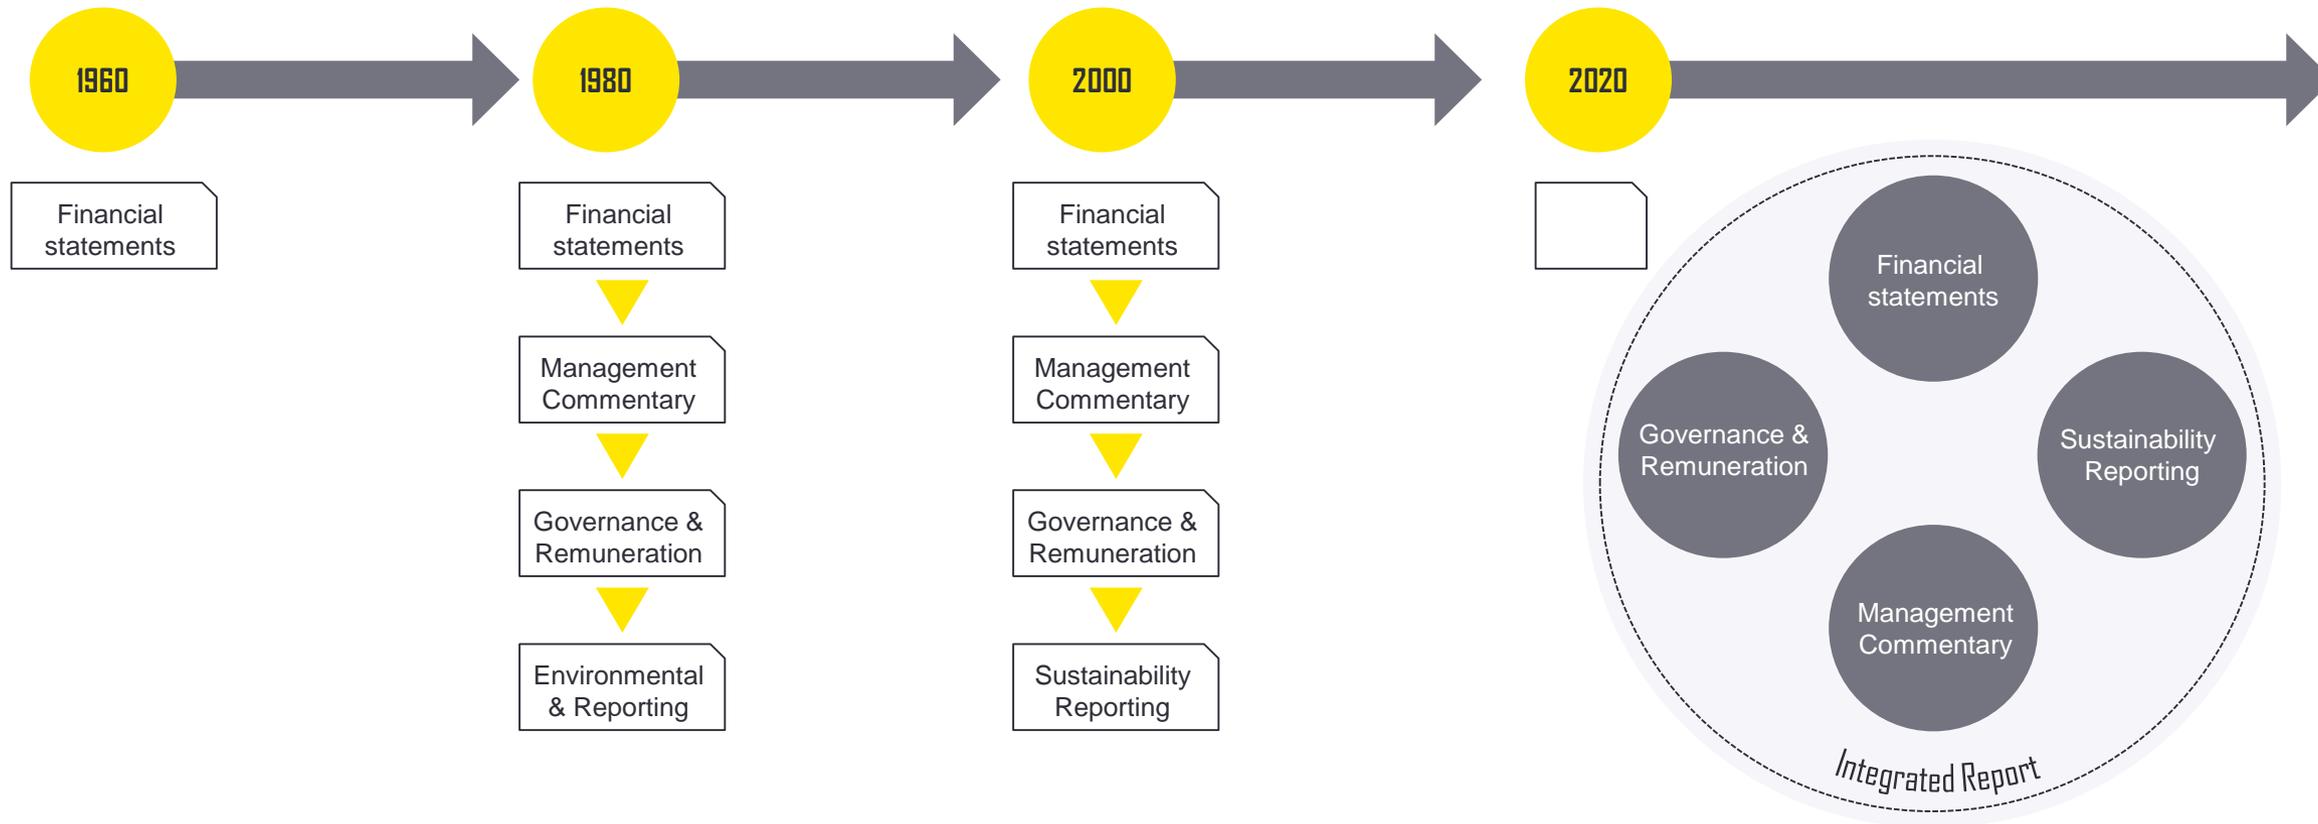

Knowledge economy

Intangibles

Current value chain = integration of financials, society at large and our worldwide ecosystem

Het veranderende business landschap

Van jaarverslag naar integrated report

INTEGRATED REPORTING <IR>

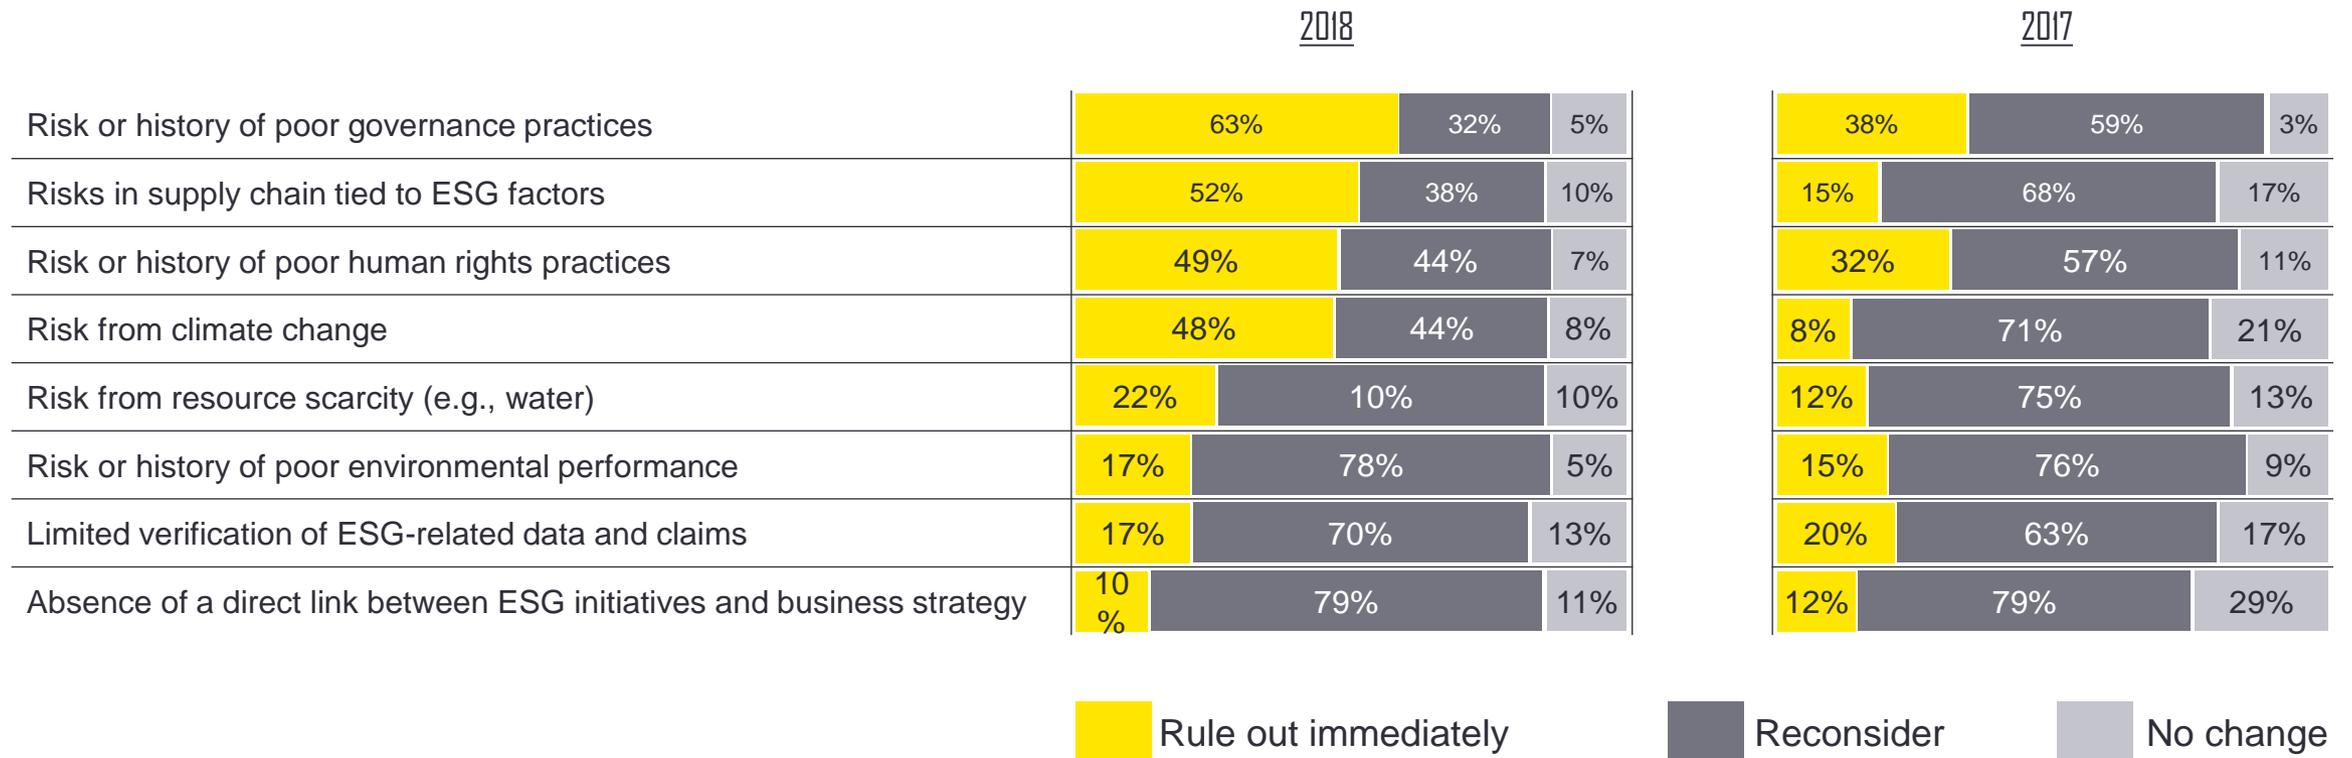

Het veranderende business landschap

Sustainability reporting – EY investor survey

Governance; supply-chain, human rights and climate change are the main ESG factors in investment decision making

How would the following disclosures about a prospective investment affect your investment decision?

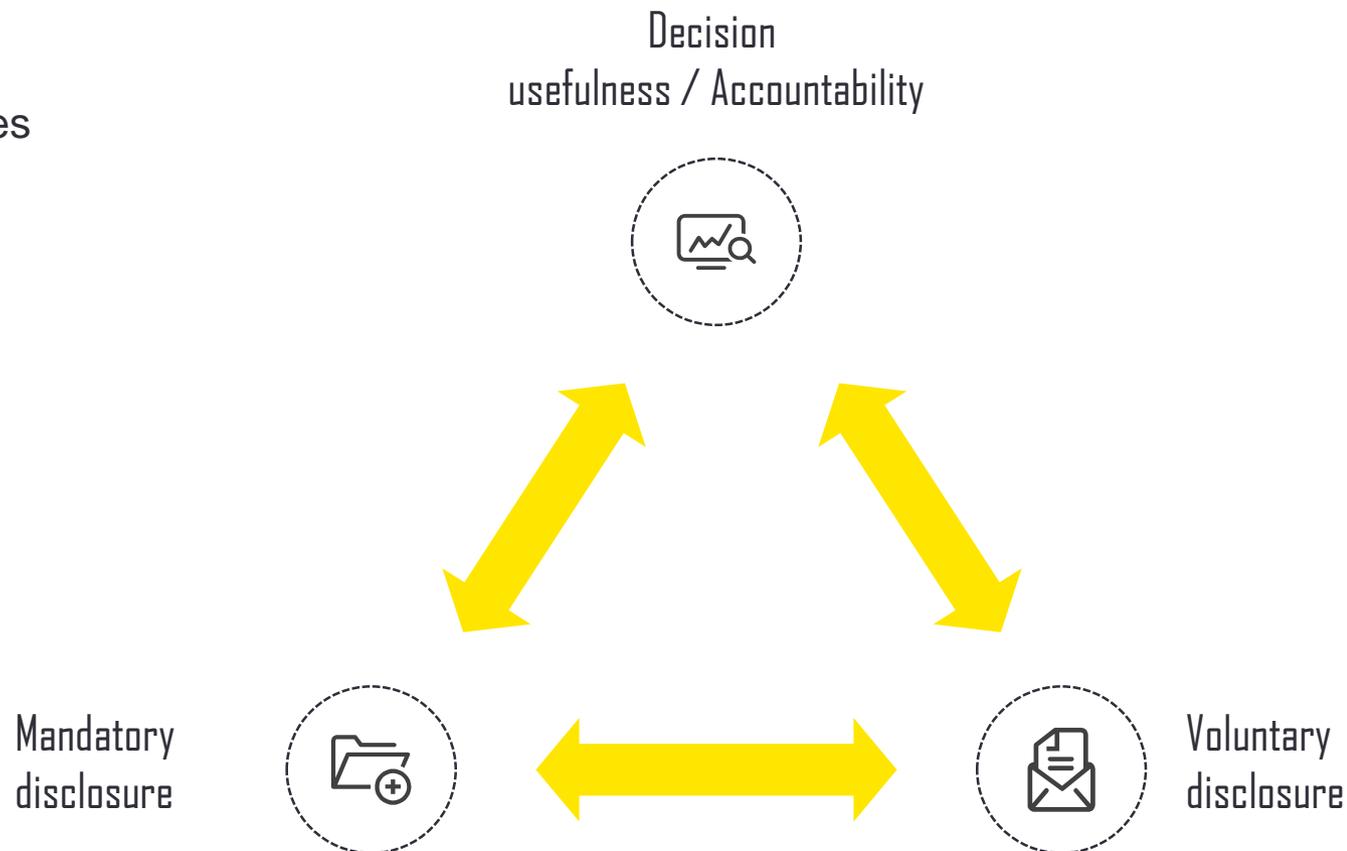

Section 02

Rapportage niet financiële informatie -
betrokkenheid accountant

- 1 Deels wettelijke plicht
- 2 Vrijheid in toepassing accounting policies
- 3 Verificatie vrijwillig
- 4 Toenemende vraag naar verificatie

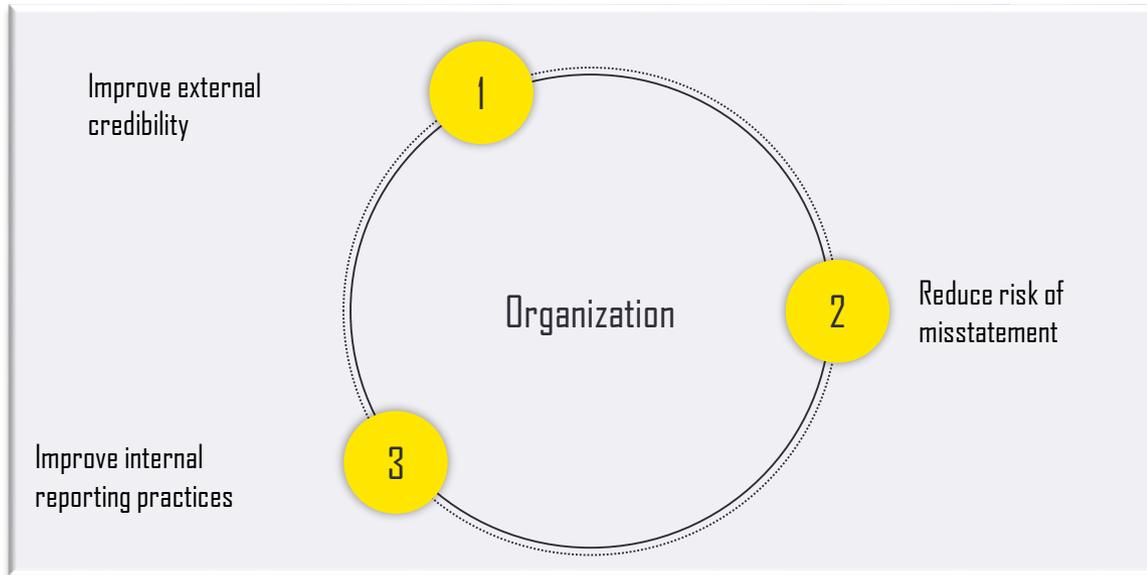

- ▶ Betrokkenheid accountant bij het bestuursverslag (na herziening EU jaarrekeningrichtlijn en ISA 720)
 - ▶ Aanwezigheidstoets: Bevat het bestuursverslag alle wettelijk verplichte elementen?
 - ▶ Consistentietoets: Sluit de in de jaarrekening en in het bestuursverslag opgenomen informatie op elkaar aan?
 - ▶ Signaleren materiële onjuistheden in het bestuursverslag: Komt de inhoud van het bestuursverslag overeen met de opgedane kennis van de onderneming?
- ▶ Daarnaast kan de accountant ‘assurance’ geven bij niet-financiële informatie (NV COS 3000: algemeen & 3410: emissieverslagen & 3810: maatschappelijke verslagen)

Rapportage niet financiële informatie – betrokkenheid accountant

Level of assurance

Reasonable assurance

In our opinion, the sustainability information presents, in all material respects, a reliable and adequate view of:
.....

Obtaining an understanding of the systems and processes for collecting, reporting and consolidating the sustainability information, including obtaining an understanding of internal control relevant to our audit, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control

Limited assurance

Based on our procedures performed nothing has come to our attention that causes us to believe that the sustainability information does not present, in all material respects, a reliable and adequate view of:
.....

Procedures performed to obtain a limited level of assurance are aimed to determine the plausibility of information and vary in nature and timing from, and are less in extent, than for a reasonable assurance engagement. The level of assurance obtained in a review is therefore substantially less than the assurance obtained in an audit.

Obtaining an understanding of the reporting processes for the sustainability information, including obtaining a general understanding of internal control relevant to our review

Rapportage niet financiële informatie – betrokkenheid accountant

Assurance niet financiële informatie versus controle jaarrekening

Zelfde technieken maar.....

Meerdere stelsels

Andere verschillen

- ▶ Stakeholders
- ▶ Social & environmental accounting
- ▶ Scope verslaggeving: juridisch versus impact
- ▶ Meerdere gelijkwaardige metrics instead of EUR
- ▶ Waardecreatie
- ▶ Lange termijn

Rapportage niet financiële informatie – betrokkenheid accountant

Een voorbeeld: Limited Assurance Net Promoter Score – Algemeen

- ▶ Rationeel doel
- ▶ Duidelijk identificeerbaar
- ▶ Suitable criteria
- ▶ Voldoende documentatie en onderbouwing

Rapportage niet financiële informatie – betrokkenheid accountant

Een voorbeeld: Limited Assurance Net Promoter Score – Specifiek

- ▶ Kennis nemen van het NPS proces t.b.v. risico-inschatting
 - ▶ Governance
 - ▶ Interne controle
 - ▶ Data verzameling
 - ▶ Verwerking/methodiek bijv. wegingsfactoren
 - ▶ Rapportage
- ▶ Contract analyse in geval van uitbesteding
- ▶ Detail waarnemingen
- ▶ Conflicterende informatie
- ▶ Cijferanalyse (zowel richtinggevend als afsluitend)
- ▶ Presentatie in jaarverslag

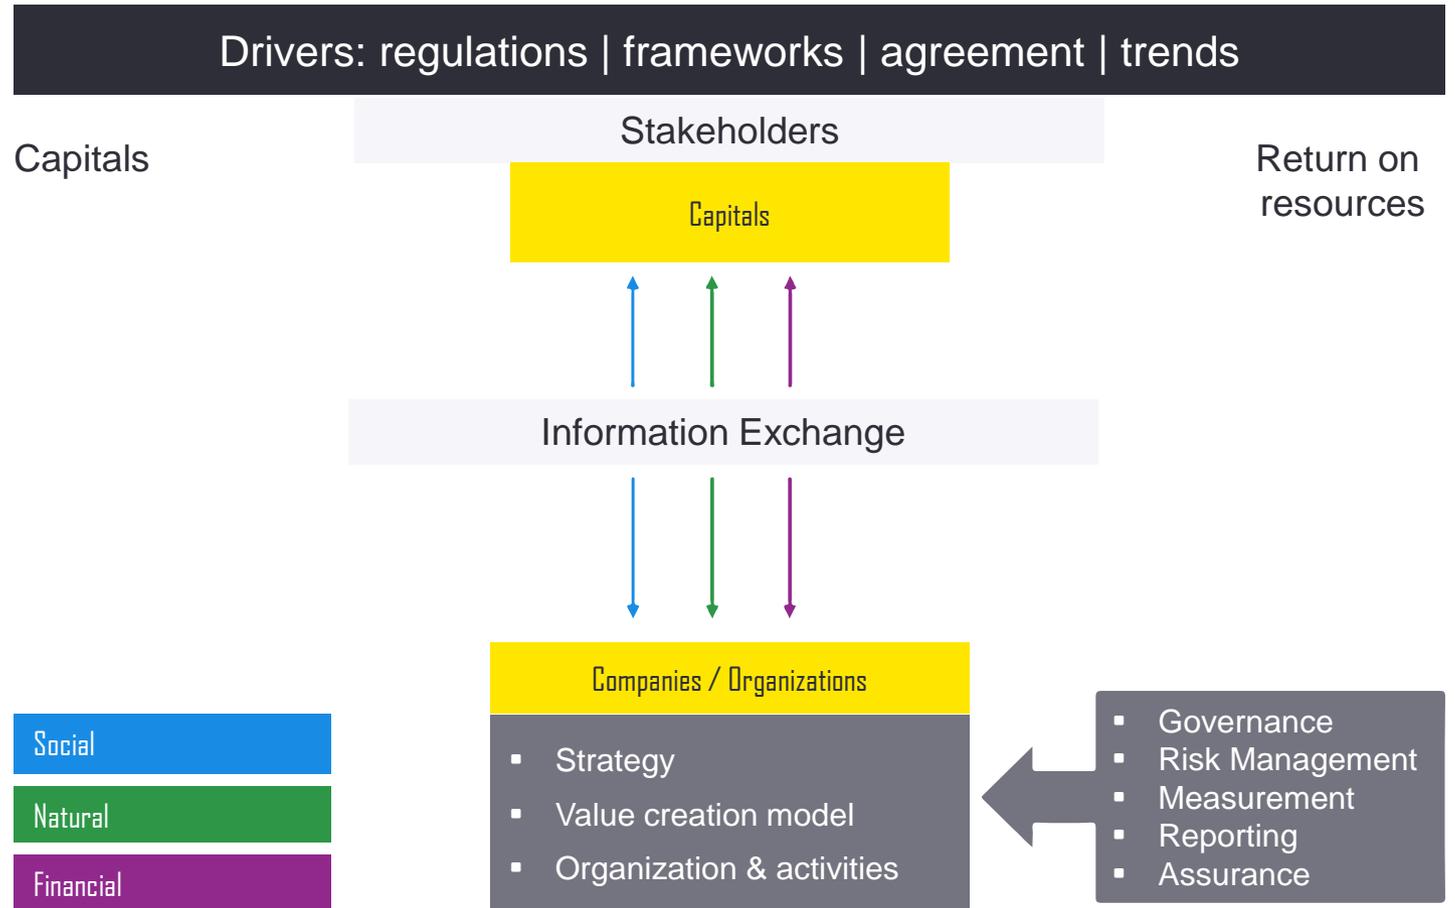

Section 03

Niet financiële verslaggeving – de toekomst

- ▶ Fluwelen revolutie in verslaggevingsland:
 - ▶ Gebruikers
 - ▶ Bedrijven
 - ▶ Raad van Commissarissen
 - ▶ Financiële standardsetters
 - ▶ Accountants
 - ▶ Externe toezichthouders

- ▶ Grens tussen financiële en niet financiële informatie verdwijnt snel
- ▶ Integrated thinking is het 'nieuwe normaal'
- ▶ Verslaggeving en assurance zal steeds meer geïntegreerd plaatsvinden

Hoewel.....

- ***Verslaggevingsstelsels moeten worden geharmoniseerd***

Thank You

Ernst & Young LLP

EY | Assurance | Tax | Transactions | Advisory

About EY

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. For more information about our organization, please visit ey.com.

Ernst & Young LLP is one of the Indian client serving member firms of EYGM Limited. For more information about our organization, please visit www.ey.com/in.

Ernst & Young LLP is a Limited Liability Partnership, registered under the Limited Liability Partnership Act, 2008 in India, having its registered office at 22 Camac Street, 3rd Floor, Block C, Kolkata – 700016
